I looked in a Friends Catalogue  
in a hurry as he was going away  
and send you a few bids for the  
Burton Collection which takes  
place Oct 26-27+28-1881 in  
New York. If the prices are all  
right and genuine, and worth it  
all right but you see to that  
for me.

Your letter received, and  
I enclosed Twenty Cents in Stamps  
as I do not see how to send it  
in any other way. I don't see  
what induced me to bid on  
that 1873 but I see by my  
copy that I did. I have two  
proof sets of the same. Please  
send me a Paper Cover Catalogue  
50¢ of Vasselline. And also if you  
can write me your idea as to  
the prices that some of the principal  
pieces will bring, I shall be greatly  
obliged Yours Truly E. Rand

Being away, I did  
not get at the package sent  
in some days. I have most  
of the pieces sent and in good  
condition. I am sorry that  
this package should have  
so long. I am writing this in  
great haste as I am going  
to New York, and I will  
leave it at my office for the  
Express Co to get Yours in haste
